Headquartered in Cochin Special Economic zone (CSEZ), Safeshield has its manufacturing sites in two locations in Cochin and employs more than 200 people. Today, Safeshield is a company synonymous for its quality and consistency of its products across the world. We have supplied over 80 countries and our major Markets are EU (TURKEY, NETHERLANDS, BELGIUM, AUSTRIA etc.), AFRICA, LATIN AMERICA and Middle East.

The excellence in our product quality and service have earned us ISO 13485:2016, ISO 9001:2015, ISO 10282:2023 and the products are CE certified from PCBC

WELCOME MESSAGE

ANIKUMAR P.C

Managing Director

Greetings and I trust you're having a wonderful day.

I am Anikumar, serving as the CEO of Safeshield India Rubber Products Pvt. Ltd. based in India.

Firstly, I'd like to express my gratitude for dedicating your valuable time to peruse our corporate profile. My hope is that you discover all the pertinent information necessary for making informed decisions that align with your organization's requirements.

Safeshield India Rubber Products Pvt. Ltd. boasts a rich history spanning over two decades, and we presently serve clients in more than 28 countries globally. This is a testament to our unwavering commitment to enhancing and perfecting our product quality.

Our journey began in 2000 as a contract manufacturer, and today, we've evolved into a reputable specialist glove manufacturer with extended dipping lines.

I'm equally enthusiastic about the opportunities ahead and eager to establish a strong and mutually beneficial relationship with your esteemed organization, providing you with top-notch quality products.

Thank you, and may your day be exceptional.

VISION AND MISSION

Vision

To be the world's leading provider of innovative and high-quality gloves, safeguarding hand across industries and geographies, setting the benchmark for excellence.

Mission

Our mission is to design, manufacture, and deliver the highest quality gloves that prioritize safety, protection, and comfort for individuals across diverse industries, ensuring their well-being and enabling them to perform at their best.

Value

Our customers are at the center of everything we do. We actively listen to their needs, provide personalized solutions, and deliver exceptional service, building long-term relationships based on trust and satisfaction.

BRANDS

SAFESHIELD
ASSURING COMPLETE PROTECTION

The glove is used as a protection barrier for a medical practitioner. Synonymous to our product, our company name Safeshield is derived as a 'safest glove that acts like a barrier (shield)'. Thus the tagline 'Assuring complete protection'. The colour orange depicts a sense of general wellness.

ARMOUR®

The brand Armour is synonymous to the shield concept of our company. The M is depicted as an armour.

The blue colour represents power, trust, cleanliness, professionalism and credibility.

The red colour denotes: Courage, caution and blood.

SAFE GLOVE

The Brand Safeglove is synonymous to the company name concept as a 'safe medical glove'.
Cean blue: Calmness and serenity.
